GRENOSIDE CHRISTMAS TREE TRAIL 2023

Your guide to a magical Christmas on the trail.

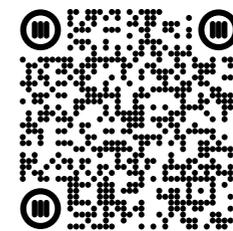

This is our first year overseeing the Grenoside Christmas Tree Trail, and we hope that it, like previous years, will bring families together.

We have tried to make the trail even more grand and exciting this year, with some fantastic prizes for participants. We would like to thank the local community and business that have supported us.

The event is open to both families and businesses and will run throughout December, giving the public an opportunity to vote for their favourite tree from the **1st to the 22nd of December**. To vote simply scan the QR code on this page or visit our website and cast your vote (*Terms & Conditions apply*).

Let's make this year's Christmas Tree Trail the best one yet!
Remember - wrap up warm, watch for traffic and enjoy the lights!

WHO ARE FRIENDS OF GRENOSIDE PARK! * ✨

Friends of Grenoside Park are a committed group of local parents who have been working hard to raise funds and awareness for our community playground and park.

We are a registered charity (July 2023) and this significant milestone will provide us with enhanced opportunities to secure further funding, collaborate with other organisations, and expand our efforts to further improve the park for the entire community. Bringing further positive changes to our playground and park and make it a vibrant and inviting place for all children and users.

MEET THE TEAM!

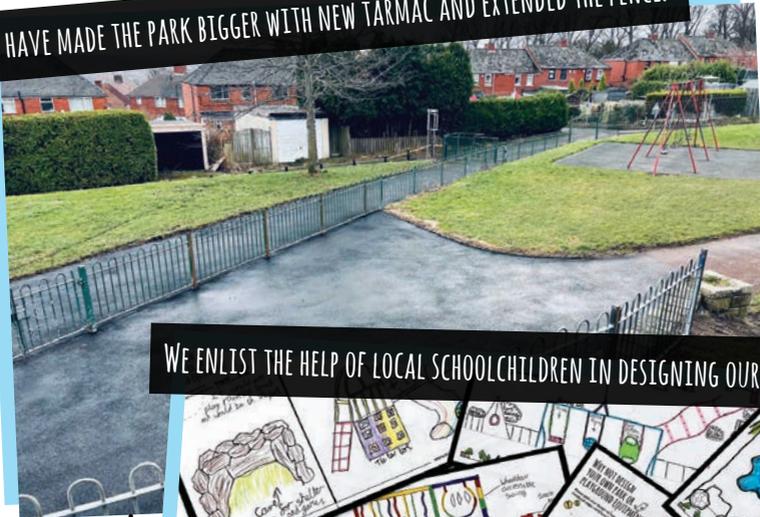

DID YOU KNOW?

A LOT OF THE PARK EQUIPMENT HAS BEEN IN PLACE FOR OVER 30 YEARS - IT'S TIME FOR AN UPDATE.

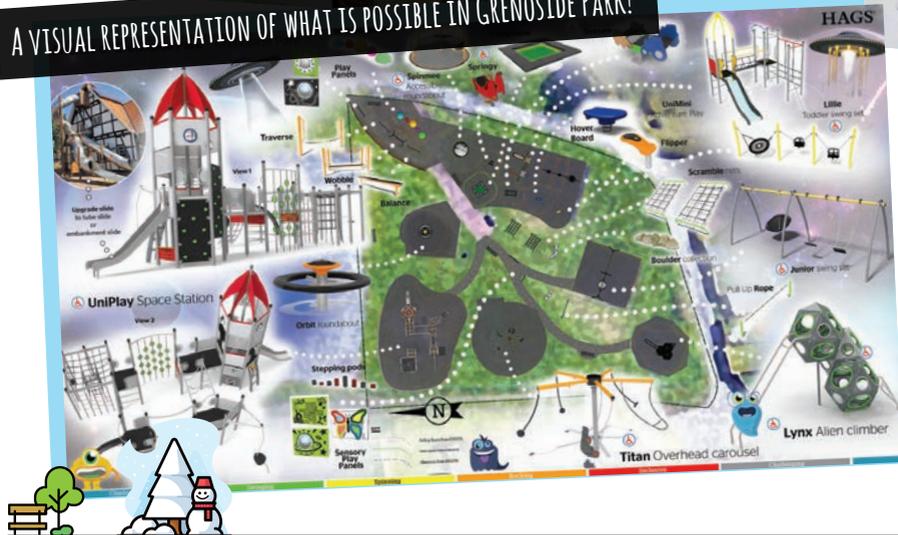

WE HAVE MADE THE PARK BIGGER WITH NEW TARMAC AND EXTENDED THE FENCE!

WE ENLIST THE HELP OF LOCAL SCHOOLCHILDREN IN DESIGNING OUR PARK!

A VISUAL REPRESENTATION OF WHAT IS POSSIBLE IN GRENOSIDE PARK!

What will 2024 bring!

As we reflect back on the work we've accomplished, we're pleased to say that we remain as dedicated to the project as ever.

We are currently working with Sheffield City Council and playground equipment companies to draw up plans for a new playground which will be more inclusive and offer children a better play experience when using the playground.

As we work towards our vision in collaboration with the council, we've faced some challenges due to recent changes in their Park and Countryside team, resulting in a slow progress. Additionally, the council has requested a feasibility study/survey for the Playground, which is a necessary step before we can proceed. However, the council will not bear the cost of this study, and we are required to fund this which costs approximately £6K.

While we'd prefer to allocate the funds to better use, we recognise the political realities and may have to pay in order to advance the project. Nonetheless, we're committed to finding ways to reduce the costs and overcome the hurdles in our path. Fortunately, we've recently received some good news - we've secured a pot of money that will go a long way in helping us pay for the study, which will be undertaken by the Council.

If we all work together we can improve our green park space in the heart of Grenoside. As always we're grateful for the support from our community and local businesses - without it, our project wouldn't be possible.

Your donations and time help us reach our goals and vision for Grenoside playground and park. **Together, let's create the best space we can!**

ALBION TIMBER

Albion Timber specialises in Native hardwoods to the trade and public. We supply high quality timber suitable for both internal and external uses, including:

- Hardwood stair treads, stringers and handrails
- Solid and laminate flooring in a range of species and widths
- Fresh sawn Oak and Douglas fir beams
- Larch and Cedar cladding, waney edge, tongue and groove, shadow gap and more.
- Mantlepieces in all sizes and styles
- Solid Oak doors in a variety of styles, on display in our showroom

We also provide hand made kitchen work tops, bar tops, window boards and tables all made in-house using locally sourced English timber.

If you're looking for some wood for your home renovation, we have a showroom on our site and welcome visitors to call in and see the furniture, flooring and cladding samples on display.

We also supply hobbyists and enthusiasts and have boards to suit all budgets. Our friendly staff are always on hand to offer guidance when required.

Visit our yard and browse our timber shop, full of interesting boards and blanks, all smooth planed and arranged for easy viewing and selection. We also sell sand paper, oil finishes, shelf brackets and fixings to complete whatever project you're doing.

Opening Times:

Monday to Friday 8am-5pm

Saturday 9am-1pm

We are happy to open up for customers outside these opening hours, upon request.
